Rotary Actuators / Small Family M9102 / M9104-AGA-xS Floating Actuators (Joventa DAB / DAD)

M9102-AGA-xS / M9104-AGA-xS
Floating Actuators

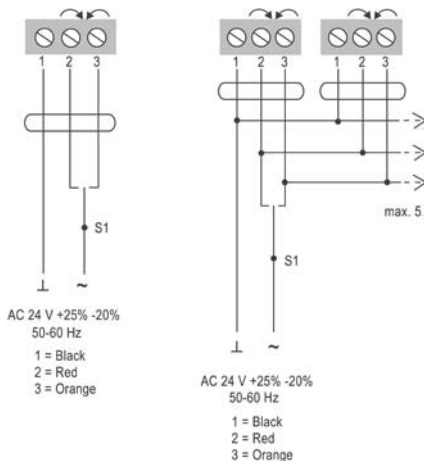

Dimensions in mm (inches)

Description

The SMALL FAMILY electric damper actuator series have been developed to operate small air dampers in ventilation and air conditioning systems. The compact design make this actuator highly versatile.

Features

- Floating Control
- Load-independent running time
- Up to 5 actuators in parallel operation possible
- Actuators available with halogen-free cable
- Actuators available with Plug-in terminal block connection
- Simple direct mounting with universal adapter for fitting to $\varnothing 8...13$ mm or with $8...10$ mm square shaft. 45 mm minimum shaft length
- Selectable direction of rotation
- Manual release button
- Devices meet CE requirements
